

Amendments to the Specification

Applicants request that the substitute sequence listing, filed herewith in electronic format, be incorporated into the application.

Please delete the previous paragraph that incorporated the sequence listing by reference.

Please insert the following paragraph on page 3 before the “Background of the Invention”:

The sequence listing is herein incorporated by reference. The text file “SeqList modified 21Sept2007.text” is 32,638 bytes in size and was created on September 21, 2007.
